Hi Ned
No. Rafi Friedman, who help rescuing Zakai is the same one who was with me, Arnan and Michaelson at Sinai in the 67 war.
Mickey Federman was the son of entrepreneur ,a soldier in my team. He left the team after few month because of parachute related back problems and turn an intelligence officer in the Unit. Which he did for about two decades as reservist after leaving for civilian life in 66. He's now a billionaire, friend, owns an empire of defense, tourism, real estate and HiTech.
